Financial Guidelines

Payment for treatment is due and payable the day services are rendered. It is our goal, however, to assist all of our patients in obtaining the dental treatment they deserve. Therefore, we are pleased to offer several payment options. Please read the following carefully. Our financial coordinator will answer any questions you may have, and assist you in selecting the appropriate financial plan for your needs.

For your convenience, we offer the following financial options:

1. In addition to personal checks and cash, we also accept payment through MasterCard/Visa, American Express, and Discover.

2. Dental Insurance

We are happy to file insurance claims and assist you in obtaining the maximum benefits specified in your contract. However, please keep the following in mind:

- Your insurance is a contract between you, your employer, and your insurance company. We are not a party to that contract. We will do our best to ESTIMATE your coverage, and file your insurance on your behalf. Not all dental services are necessarily covered under your dental insurance plan. It is essential that you read and understand your coverage and pay special attention to any pre authorization requirements, exclusions, waiting periods, and missing tooth clauses.
- Our office policy states that you are totally responsible for your bill. The ESTIMATED patient portion of the fee is due at the time of service. If a balance remains after we receive payment from your insurance carrier within 30 days we will notify you. Failure of your insurance carrier to reimburse our office within 30 days will result in our billing you directly for the remaining balance.
- We are committed to providing the highest quality of care. Our treatment recommendations and the dental services we provide are in the best interest of the patient's health. The patient is responsible for payment in full regardless of an insurance company's arbitrary determination of treatment necessity.
- Our participation in a Preferred Provider Organization (PPO) is a contract between this office and the organization to provide dental services for the negotiated network fee schedule. Individual coverage and benefits will vary within the organization and are dependent on the contract between you, your employer and the insurance company. While we guarantee our fees will not exceed the network fee schedule, we cannot be responsible for variances in coverage and benefits within the PPO.
- If your coverage changes for any reason, please notify the office immediately. By signing this form, you have read and understand our policy. Any denials or insurance payments less than estimated will be your responsibility. Payment will be due upon our billing cycle. All estimated out of pocket fees and deductibles are due the day of treatment. Ask our office regarding our financial options before your visit, or if you have any questions regarding your insurance and our policy.

I have read the Financial Policy. I understand and agree to this Policy.

Family Dental Care Park Ridge

Office hours are by appointment and we do value your time. This office is a private practice dental office and not a dental "clinic." Appointment time is reserved for you alone. Where appropriate, we prefer to schedule longer appointments so we can complete as much needed dental treatment as possible during one appointment. We feel this type of scheduling will cause minimal disruption to your daily schedule and will provide efficiency in completing your dental care. When you make an appointment, please be sure that you will be able to keep it.

Emergencies and unforeseen patient treatment problems may arise, causing schedule changes. Emergencies are unexpected and seem to come at the most inconvenient times. If you have a dental emergency that needs immediate attention, we will always offer to see you at once. We expect that other patients who might be slightly inconvenienced by this will understand the situation. At some point, they may need the same courtesy too.

Like many offices, this office takes many steps to confirm your appointment. We will call you a week before, two days before, and you will receive emails/text messages. Please make a note of any dental appointments we have scheduled in a place where you will be easily reminded. If you cannot make an appointment as scheduled, please notify the office.

There will be a charge of \$75 per 1 hour of scheduled time for broken hygiene appointments or \$100 per 1 hour of scheduled time with Dr. Demas, Dr. Diaz, or Dr. Caraba if the appointment is canceled with less than 24 hours' notice. Please be aware that if you are 15 minutes or more late to the appointment, it is considered a failed/no show appointment and will be charged accordingly.

By signing this form, you are acknowledging that you understand and are in agreement with our policy regarding cancellations and not showing to appointments. If you have any questions about our appointment cancellation and no-show policy, please feel free to ask us.
